NEVADA FFA ASSOCIATION

Delegate Business

Constitution, Article V – Membership – Added the following, “Middle schools with non-certified secondary agricultural education teachers offering Nevada Department of Education approved exploratory agriculture courses, can offer FFA membership to grades 7-8 if the teacher does it in conjunction with the secondary agriculture teacher at the high school program that students would be eligible to attend.”

By-laws, Article III – Zone Structure – The article was updated to reflect the deletion of the Black Rock FFA chapter from the Southern Zone because it decided to become inactive in 2022-2023.

Additional Business

- Approved State Degree Recipients
- Pres. gave the nominating committee the power to act in selecting the new state officer team
- Audit committee approved the Nevada FFA Association’s previous fiscal year’s records
- Convention-in-review committee evaluated the event
