Such programs must be operated under the provisions of the National Vocational Education Acts and the Nevada State Plan for Career and Technical Education.

Section B

Members of local chapters shall meet, organize, and adopt a constitution not in conflict with State or National Constitutions, as their own, elect officers, set up a program of work, and then apply to the State FFA Office for membership in the State Association and National Organization. After this application has been approved by the State Executive Board, the members of the local chapter may then be known as Future Farmers of America or FFA.

NEVADA FFA ASSOCIATION

ARTICLE IV- PROCEDURE FOR DETERMINING STANDING OF CHARTERED LOCAL CHAPTERS AND MEMBERS

Section A

Annual membership in the Nevada Association, including the FFA publication and all other privileges, shall be accomplished by chapter affiliation with the state organization via a Curriculum Packet Program which requires each chapter to affiliate all students enrolled in agriculture education classes at that school. The fee for curriculum packets shall be fixed by the State Executive Committee and the Nevada Agriculture Teachers Association during their annual Summer Conference. Individual subscriptions to the National FFA Magazine, Nevada Supervised Agriculture Education Record Book, and a copy of the National FFA Manual shall be included in and paid for from the Nevada Association Curriculum Packet fees. Chapters must submit list of all enrolled agriculture education students and curriculum packet fees by October 15th.

Section B

A chapter is in good standing with the state association when Curriculum Packets have been purchased from the state office in a number equal to or exceeding the number of non-duplicated students enrolled in agriculture education classes at the school. A member shall retain his/her active membership until October 15 following the fiscal year expires on June 30.

A chapter shall retain its good standing upon remitting payment for the required number of Curriculum Packets. It may retain its standing on the basis of the previous membership and paid Curriculum Packets until October 15 following the end of the regular fiscal year. After this date, a member or chapter may not take part in any FFA activity until sufficient Curriculum Packets are purchased to be in good standing. To participate in state activities, a member must be appropriately affiliated via the Curriculum Packet Program prior to the date of the activity.

If a chapter doesn't purchase the Curriculum Packet, the Nevada FFA Association will provide written notification to the agriculture teacher, principal, and school district CTE director that the chapter and its members cannot participate in statewide activities. The chapter can operate on a local level using its chapter name until October 15. If at that time, the chapter hasn't purchased the Curriculum Packet, then written notification will be sent to National FFA, the agriculture teacher, principal, and school district CTE director that the chapter is no longer in good standing and therefore cannot operate using the FFA name and shall be denied the privileges of affiliation with Nevada and National FFA.

Section C

NEVADA FFA ASSOCIATION

Membership in the Nevada FFA Association and in the national organization shall be based upon the list of names submitted through appropriate roster management tools to the State FFA Office with the purchase of Curriculum Packets. Students whose names have not been submitted to the state office annually are not members regardless of whether they are carrying a current membership card or have an FFA ID.

In the event a local department of agricultural education is discontinued, its chartered FFA chapter may officially operate for a period not to exceed three years (36 months) from the date of discontinuance, provided proper supervision is given by a person having the approval of the local school administrator and the state FFA advisor. The chapter's charter must be surrendered to the NDE FFA Liaison/State Advisor or state designee at the end of the three-year period if a local department of agricultural education is not in operation in the school at that time.

Members in good standing at the time of their induction into the Armed Forces of the United States of America or into the FFA International Program shall be in good standing during the period of their active service without standard affiliation requirements or attendance at meetings. Time spent in the Armed Forces or FFA International Program shall not be considered as elapsed time in determining the maximum period of four conventions following graduation from high school or leaving high school. Should such time of participation in FFA International Programs fall during a member's constitutional eligibility to run for State FFA Office, that member shall be guaranteed the right to run for State FFA Office during the first State FFA Convention following his/her return to the United States provided all other membership and eligibility requirements have been met. Changing chapter affiliation after leaving high school may be approved only when the student's parent/legal guardian move their place of permanent residence after the student has left high school.
